

DECLARATION

Rīga

I hereby declare that:

Scientific Thesis

HAND DERMATITIS AMONGST HEALTH CARE WORKERS DURING COVID-19 PANDEMIC

(hereinafter referred to as Paper) has been developed lawfully and in good faith, to wit:

- 1) The Paper has been developed independently within the framework of the study programme of Rīga Stradiņš University; references have been given to the sources of information, materials and data used, including my own previously created and published works. This Paper has not been submitted in any way to any other commission or institution and has never been published;
- 2) The rights of third parties regarding trade secrets, know-how, use of trademarks, use of patented or patentable inventions have been observed in the development of the Paper;
- 3) The rights of third parties with regard to privacy and the protection of personal data have been respected in the development of the Paper;
- 4) No state secret was disclosed in the development of the Paper;
- 5) No other restricted information has been used in the development of the Paper;
- 6) The electronic version of the Paper corresponds to the bound version;

If the above information has been used in the Paper, I have received and attached a written consent or permits to the Paper of the relevant persons or institutions.

If this is not the case, I am aware that my Paper may be rejected and I will assume all the related civil, administrative and criminal liability. If the above facts are revealed after receiving a diploma, I am aware that my diploma can be revoked.

I agree / disagree (cross out as appropriate) that the final paper will be publicly available at the Rīga Stradiņš University Library or academic structural units.
