Instructions to authors

Original papers will be considered for publication with the understanding that they are contributed solely to *Acta Medico-Historica Rigensia*. The author should state in the covering letter that the material has not been published elsewhere.

PREPARATION OF MANUSCRIPT
Type manuscript, double-spaced on regular typewriter paper. Leave ample margins on all slides (2.5 cm). Submit the original and one copy, including copies of all illustrations and tables. On the first page give title of the article, names of authors and city. At the end of the manuscript supply an abstract of not more than two pages and type author(s) name(s), degrees, address.

REFERENCES
Each reference must be cited in the text and listed by number in the order in which it appears in the text. References should include the names of all authors if there are fewer than seven or, if there are more, the first three follows by et al; the title of journal articles or book chapters; the titles of journals abbreviated according to the style of *Acta Medico-Historica Rigensia*; the volume number and first and final page numbers of the article or chapter.

ILLUSTRATIONS
Submit transparencies, unmounted black ink drawings or 9x12 to 18x12 cm dead surface photographs, also unmounted. Supply a legend for each for each illustration and type legends, double-spaced on one sheet of paper.

NEW!
This and following volumes of *Acta Medico-Historica Rigensia* will be prepared on PC. In this case, your article is especially welcome in PC-format (draft copy and data diskette) on Microsoft Word version no later as 6.0. The text transmission by Internet e-mail message for museum2@apollo.lv is possible, as well.

For further details visit our home page (www.mvm.lv).
